Forest of  
Blue Village  
Besties

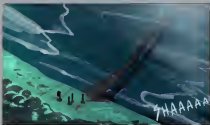

# Abide in the Wind

Episode 2 • Forest of Blue Mirage Beasts

Story • Art

Shin Wool

Mean... We should  
reach the Harbor Village  
a while after crossing  
this bridge...  
Hopefully we'll  
arrive before  
the sun sets...

Mr. Rotton,  
are you okay?

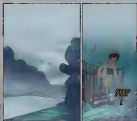

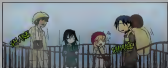

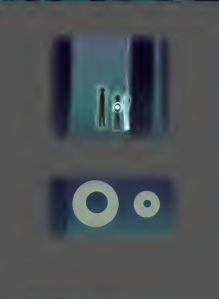

I'm just a little nervous.

It's not  
dangerous

I just said that  
no reporter ever  
came back, gone.

IT'S COMING...!

ARE YOU REALLY NOT  
COMING WITH US?

YOUNG MASTER,  
PLEASE RECONSIDER!

I TOLD YOU THAT  
I DIDN'T WANT TO!  
AND YOU REALLY  
WENT GOING TO  
SOMEONE ELSE!

Mr. Kulkarni?

Yes, sir, be quiet...

Yes!

??!

Dragon Artifacts:  
Grande Dandelion

Activate!

This artifact is part of the Guide Set, originally used for moving large objects.

One of the  
pair of needles

teleports the other  
to its location.

WHO'S THERE?!

The world-class dragon artists have completed the most magnificent, and are known for their incredible skills.

The highest class of the Great dragon artists was more than the greatest of mountains.

He...  
He...

What I know is  
I'm Roland.

There aren't  
many familiars with an  
Alchem contractor  
after all

Young Master?

This sector...  
Doesn't tell  
me it's...!

A human...?

3 years ago  
Hollan Editorial  
Department

is this the  
newbie?

I wonder what his  
background is. He got  
in without even taking  
an interview

Let's see how  
far he can go

If we know  
nothing about  
him...

Doesn't that mean  
he might have a  
hidden talent?

If you put it  
that way...

**CHIEF REPORTER  
BENTIYA?!**

Wow, long time  
no see!

YOU DISAPPEARED  
LAST YEAR AFTER SAYING  
YOU WERE GOING ON  
A JOURNEY. BUT...

WHAT ARE YOU  
DOING HERE?

EVER SINCE YOU  
DISAPPEARED, DO YOU  
KNOW HOW MUCH I'VE  
HAD TO SUFFER THANKS  
TO THAT FIL WOMAN?

You're  
an **idiot**!  
and **stupid**!

Fil woman?  
Who?

YOUR BEST FRIEND,  
THE CRIMSON WIDOW

I mean,  
it's nothing...

Could you  
possibly be...

**A 'MIRAGE BEAST  
HUNTER'?!**

IF THAT'S THE CASE...

DO YOU KNOW  
ANYTHING ABOUT DRAGON  
ARTIFACTS?

I HAVE AN ARTIFACT  
THAT HAS BEEN  
DESTROYED FROM  
OVERSIGHT.

I HEARD THAT YOU  
GUYS HAVE BEEN HANDLING  
DRAGON ARTIFACTS EVER  
SINCE THE CAPITAL...

AM I IN SO  
SORRY!

What have I done...

As you're in  
luck. They're coming  
back soon for regular  
maintenance.

It's getting  
pretty dark...

Why don't we  
head down to the  
village first? I'll lead  
you guys there.

I won't let  
you down about what's  
happening out there  
anytime.

**YES!**

The entire town  
was ill with it.

Think, goodness,  
for resurrection  
singles who leave  
the bottom.

YES...
